# Street CRICKET

at Rayleigh Leisure Centre  
Ages 12 to 16 Years

Street20 is the new popular, urban, funky form of Cricket designed to be played in crowded urban environments and using facilities such as five-a-side football pitches, multi-use-games-areas, basketball courts and sports halls. Just take 2 bats, 2 sets of plastic stumps, a ball and you're ready to go! The ball used for this game is a tennis ball wrapped in electrical tape, which makes the ball act in the same way that a cricket ball does - only without the sting!

Essex Cricket

Rochford  
District Council
